

CHRISTIAN HUILA GARCES

Fronted Developer

Colombia | (+57) 300-347-7129 | christian.huila22@gmail.com | Christian@Portfolio (click)

Solid front-end knowledge of **HTML5, CSS3+, JavaScript.**

Strong understand of **Git, GitHub, Trello, Figma, Discord.**

Good handling of **Tailwind CSS.**

EXPERIENCE

I am in the process of learning Front-End Developer, I have carried out **+22 projects** in my apprenticeship, among which there are several challenges from my academy, which are in **my portfolio**.

I am passionate about technology; I am looking for a company from which to learn and use my knowledge.

SKILL

I am a curious person and I like to solve problems. Learning is part of my day to day and challenges motivate me to find the best solutions.

I like to work in a team, talk with other people, share my knowledge, exercise outdoors, reading books, researching about technology.

EDUCATION

Self-taught | Udemy & Google Active & Alura Latam & Other Platforms |Online| 02-2022 - Present.

Bachelor of Environmental Engineering with Hight Honor | University of Cordoba | Monteria, Colombia |2016.
